PERSONAL SKILLS

Mother tongue Italian

Other languages

- English: mother tongue fluency;
- French: fluent (C2 DELF Certification 2004)
- German: advanced level (C1 Ösd Certification 2022)

Communication skills

Excellent communication skills, both formally and informally.

- I am used to giving presentations during talks and debates on scientific topics and during meetings, congresses or lessons;
- During my residency training I have given lectures at the University of L'Aquila for medical and nursing degree courses;
- I have started a Blog with a friend of mine (www.raccontacelo.org), on which, among other topics, I carry out a scientific divulgation project through articles regarding medical general issues of interest to the public, some of these articles have been published on a Columbia University scientific divulgation blog project (knowscience.org), an international education and advocacy organization working to promote knowledge of science and scientific knowledge to a non-specialized audience;

- Since October 2020 I have regularly held lectures as contract professor for the University of Verona – Bolzano Branch, at the first year of Nursing School.

Organizational / Managerial skills

- Ability to manage a group of people, assigning responsibilities, managing conflicts;
- Problem solving and time management improving abilities achieved through a structured approach developed during all my work experiences (e.g. planning activities, calibrating available time and resources, solving critical situations, etc.);
- Available to travel.

Soft skills

- Reliability
- Precision / attention to detail
- Planning and organisation
- Team work
- Leadership
- Problem solving
- Resourcefulness
- Stress resistance and adaptability
- Self-government

Computer skills

Excellent knowledge and use of:

- Computer operating systems Mac OS and Windows;
- Mobile operating systems (iOS, Android);
- Microsoft Office Suite and iWork Suite;
- Graphic and content tools (Photoshop, Wordpress, html editor);
- Cloud based services (iCloud, Google Drive, Dropbox etc.).

Experiences abroad

I lived in London with my family, from August 1996 to September 1999; I went to school in non-international institutes attending the last year of primary school and the first two years of secondary school (in the course of which I started studying French). During our stay in England we spent the holidays visiting most of UK, I started my scout experience in a Sea Scout Group in Putney and I achieved a mother tongue fluency level in English.

Hobbies / other skills

- Haute Horlogerie enthusiast;
- Athlete (swimming, running, pistol and rifle sport shooter, diving, camping trekking, survival);
- Writer (Blog and Novel in progress);
- PADI Open Water Diver Licence;
- Painting;
- Aviation enthusiast.

Volunteering / Other relevant experiences

- During Medical School I spent four years as intern in the Tor Vergata University Hospital Cardiac Surgery Unit where I gained competence in the management of cardiological patients and cardiovascular emergencies; I regularly attended ward, Intensive Care Unit, outpatient clinic and operating theatre procedures;
- While in London I started attending Scouts, when I returned to Italy I continued my path until 2006 when, as a Scout Leader, I started serving as educator in my group until 2009, with boys and girls from 12 to 18 years of age;
- During my Scout experience I took part in social charity and volunteering projects and in Civil Protection exercises and activities.

Driving licence

- B licence since 2004;

- A licence since 2005;
- Car owner.

PERSONAL DESCRIPTION

I am a dynamic and resourceful professional: starting from my Scouts experience, during my academic training and throughout my working practice, I have been used to working with groups of people and I have progressively refined my team-leading and organization abilities.

I am familiar with an objective-oriented approach and with a continuous target fulfilment evaluation.

My personal and professional experiences have helped me to acquire adaptability, quick decision-making skills, and the ability to successfully manage critical and stressful situations and environments.

I am currently working as member of the Medical Direction Board, I'm studying German and I am also focusing on Healthcare Management skills and knowledge.

I have many interests and I like to fill up my free time with different dynamic activities.

Last Update: Nov 2021

I authorise the use of my personal data in compliance with the Italian Law No. 196/03 (Italian Privacy Act).
